

# DELEGATES FORM FOR THE 2019 NYI CONVENTION

In Part IX of the Manual of the Church of the Nazarene under Nazarene Youth International Charter, IV Meetings section 3- Annual meeting it states:

1. The annual meeting of the local NYI is held within sixty days of the District NYI Convention... delegates to the District NYI Convention are elected at the annual NYI meeting.

In Part IX of the Manual of the Church of the Nazarene under Nazarene Youth International Charter, in District Ministry Plan, IV Meetings section 3-District NYI Convention it states:

4. All local NYI delegates to the District NYI Convention must be members of the Church of the Nazarene that they represent

**It is strongly recommended that the Pastors of all churches attend the NYI Convention.** It is also suggested that the NYI President attend. The District NYI Convention announces the NYI theme and sets the tone for ministry to NYI members across the district. Packets containing a district calendar for the upcoming year and announcements for the region as well as helpful resources is given out at the convention. These prove to be useful to those currently serving in some capacity in the NYI and helpful to those just beginning their time of leadership with the NYI on the local level.

## Determining Number of Delegates, You May Send

The number of delegates for each church is determined by the membership. For churches with 30 or fewer NYI members may send: The pastor and youth pastor or any full-time paid staff who participate in NYI ministry; NYI President: up to four elected delegates. Local churches may add an additional delegate with each successive 30 local NYI members. (See Manual)
